## "Yukon" Wreck Dive

### About the Marissa

## Marissa

The Marissa is a 38' Long, fully customized Delta Dive Boat rated for 28 passengers, but is limited to comfortably accommodate 16 divers. She has 2 crew members on board at all times; a captain and mate/DM. 80 cu. ft. tanks and weights are complimentary and on board already for your convenience. They also provide weights and belts for those that would like to leave their own behind.

Also provided air fills, sodas and drinking water, as well as snacks and FRESH meals on their trips. Food provided is determined by time of day you are on board. In a nutshell: they feed you after every dive on all trips and even provide warm brownies when the Boat returns to dock.

On-board you'll find a dedicated Camera storage and charging area as well as a large rinse bucket on deck for cameras, lights and masks. There are 2 Hot Showers, a full head and Indoor Seating that will accommodate up to 20 divers.
