#1 Live-Aboard

In the World!

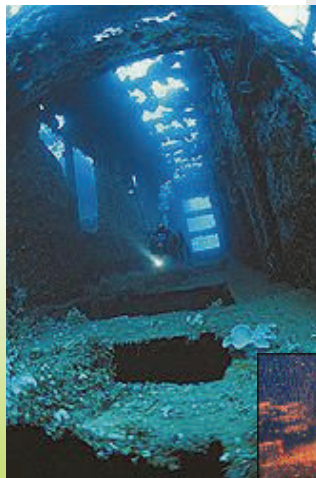

\$2,900 Plus Air

Air Estimated @ \$2,100

Join Us in July 2010 aboard the Truuk Odyssey, the #1 Rated Live-Aboard on the Planet! Truuk - Micronesia is known for possibly the best wreck diving in the world. If you are not a wreck diver, fear not, it's also home to some of the best reefs and soft corals in the world on these wrecks. The diving is easy because the water is about 85, most wrecks are located within sport diving limits and there is no current because it's in a protected lagoon. On top of all this - the water is extremely clear! Talking from personal experience, the wrecks are AWESOME and should not be missed!

Group Leaders, Fred Colburn, Freddie Contreras and Jeff Smith will lead the trips. Fred & I have been to all 3 Islands of Truuk, Palau & Yap, Freddie has been to Yap. All of us are experienced Group Travel Leaders and will be there to make your adventure Memorable and Incredible!
